1. To finally adopt the Budget Estimates for 1922-23 published under section 73 of the Act and to consider objections or suggestions (if any) that may have been received in that connection.

2. To lay before the meeting No. G. A. F. III/1070 dated 7th March 1922 from the Secretary Short hand School forwarding Copy of resolution passed by the managing Committee at their meeting held on 5th March 1922.

3. To form an appeal committee for the year 1921—22.

Vice Chairman's Propositions.

1. To determine the steps that should be taken (a) to uphold the dignity of the Chair and vindicate the Chairman's unassailable position against the unwarranted and scurrilous attacks made by Babu Loke Nath Mukherjee in spite of the repeated attempts on the part of the President of the first meeting of the new body of Commissioners held on 11th March 1922 to stop him and enjoin (sic) order.

(b) To prevent the repetition of such disgraceful conduct as was evidenced the other day on his refusal to allow the highly objectionable speech which he read out to form part of the minutes of that meeting under the anything but true pretence that the speech was extempore one and that the papers which merely contained notes were destroyed immediately after.

With the consent of the Commissioners present the Vice-Chairman's propositions No. 1 (a and b) and Mr. G. Cabral's proposition No. 1 were taken up first.

The Vice-Chairman in bringing forward his motion explained to the meeting the unfortunate situation created by the insult offered to the President by first disregarding the several calls to order and their (then?) reading out from a manuscript a Vernacular address bristling with cutting remarks and highly defamatory accusations all levelled against the Chairman Babu Siva Narayan Mukherjee in entire ignorance of the inestimable benefits conferred by him upon the Municipality. Even if we, he said, consign to oblivion the dead past and adopt the policy of forgive and forget the Commissioners ought to see that there was no repetition of such conduct in future. The idea of a vote of censure and of a requisition under Section 19 of the Municipal Act was then relinquished and an apology in the following form was tendered by Babu Loke Nath Mukherjee and was accepted by the meeting.

"I Loke Nath Mukherjee Municipal Commissioner do hereby in all humility tender unconditional apology to the Commissioners in general and to the Chairman Babu Siva Narayan Mukherjee in particular for anything objectionable, I might have said at the first meeting of the new body of Commissioners held on the 11th March last which contained expressions which I now find to be

This apology together with a solemn assurance that such conduct would not be repeated in future on being accepted the Propositions relating to the unfortunate incident at the meeting of the 11th March were withdrawn.

The Commissioners present at meeting who witnessed the reading of the Vernacular speech from a manuscript could not accept the assurance of the Commissioners aforementioned that the papers did not contain the speech but mere notes which helped the delivery of the speech.

1. The Budget estimates on being laid for final approval the Commissioners expressed regret that they had not examined or rather Scrutinized the budget and expressed a wish that further time might be allowed for studying the same. It was accordingly resolved that a week's time might be allowed during which it would be circulated among them and that on the expiry of that period it should again be placed before the meeting to be held on Saturday the 25th when it would be discussed or then formally passed.

3. The following Commissioners were then appointed to form a Review Committee in view of the disposal of appeal Petitions.

The Commissioners were fully aware of the importance of this Ghat and the necessity of improvement of the road leading to it and resolved that the road be made Pucca next year. As regards the prayer of restricting cart traffic, at least during the morning time for the convenience of people specially ladies, resorting to the Ghat for bathing purpose, the Vice Chairman expressed his doubts as to whether that could be done under the law. Babu Mohini Mohan Chatterjee, Municipal Commissioner, said that such practice was prevalent in the neighbouring Municipality of Bally, the particulars of which, it was resolved, should be obtained and adopted if found suitable so far as this Ghat was concerned.

11. To consider the disposal of last audit notes.

20 The audit notes for the period ending on 31st March 1928, were laid before the meeting and the explanations, furnished by the Chairman were approved. The following points to be dealt with by the Commissioners in meeting were disposed of in the following manner.

Audit notes.

30 Para 10. The explanation of the Tax Daroga that he sent all monies in his hands to the Treasury first and then wrote the cash book which resulted in mistakes of proper classification of the receipts was not satisfactory or convincing. It was resolved that he should be warned on the pain of summary dismissal if such irregularities happen again. The accountant should also be ordered to sign the counterfoils of all receipt forms as a token of his having traced their entry in the Cashier's Cash Book after each chalan is sent.

40 Para 13—The Commissioners deemed it hard for an employee drawing Rs. 40 only per month to furnish more than Rs. 250 as security. They noted that the two collecting Sirkars, who were responsible for the cash jointly with the Tax Daroga had furnished a security of Rs. 200 each, therefore, they did not consider it necessary to raise the security of Tax Daroga at present which was likely to involve a claim for increased salary.

Commissioners, he was doing more carefully and regularly than in the past with the assistance of the accountant. He further expressed his satisfaction that inspite of all these irregularities in the issue of Tax receipt forms etc, there was no misappropriation, and the collecting staff may be taken to be reasonably honest as heavy defalcations were possible under the prevailing circumstances. The Commissioners accepted his views and while thanking the local auditor for the pains he took in checking the receipts thoroughly and minutely not only for the whole priod covered by the present audit (March 1928) but also beyond it up to December 1928 as the books show, expressed a hope that the irregularities would dissappear and the next auditor will find the accounts in perfect order.

Minor objections statement.

Para 12-- Voucher No 304 dated 31st March 1928,

The following rates were sactioned :—Dismantling brick work at 6 annas per r. ft. Extra labour for earth work and cement plastering under the culvert at 4 annas per r. ft.

The Vice-Chairman moved his resolution Babu Panna Lall Mukherjee moved an adjournment motion to adjourn the debate on the resolution till the next ordinary meeting in which he was seconded by Babu Paresh Charan Chattopadhyay. 12. The applicant was willing to execute a bond declaring that he had no claim of ownership over the land below the projecting veranda besides his ledge, which was considered fair, and the permission sought for was granted on condition that proper bond should be executed first and then the work should be taken up.

Before the commencement of the meeting Babu Lokenath Mukherjee moved that the meeting be adjourned for five minutes. In moving this motion he said, he wanted, in the first place to draw the attention of the Chairman to two very important questions—questions that were engaging the attention of the Commissioners as well as the general public of Uttarpara for sometime past, namely, the matter of providing a Public Park and Play ground at Uttarpara and the Burning Ghat matter ; secondly, to express the concern and anxiety of the Commissioners at the delay in bringing forward the said two matters before them for final decision, and lastly to convey their earnest request to the Chairman for bringing forward the above two questions before the Commissioners at their general meeting of the current month or as soon as possible. Continuing he said that in moving this motion he did not mean any the least offence to the Chairman not to speak of casting any aspersion on him or even of disapproving any of his actions in connection with those two matters, on the other hand he assured the meeting that in moving the present motion he was actuated by

Defendant's most sincere and best of motives as his main and only idea in moving it was to effect an early and speedy settlement of the two very important questions referred to above.

- 1 To consider the applications for the post of a Sub-overseer together with the Vice-chairman's recommendations thereon for disposal.

20 The Vice-chairman informed the Commissioners that in accordance with their resolution of the last meeting the post was advertised for and about eight or ten candidates had seen him to ascertain the pay and prospects of the post out of whom only three have formally applied. He had given them interviews and had found all of the three candidates holding diplomas of some recognized institution and found them of similar general qualifications. He recommended that the temporary Sub-overseer, Babu Bhuban Mohan Goswain, who had been working since December 1929 in connection with the Talpukur Street and Bazar Lane drains, and who had acquired sufficient knowledge of this class of work under guidance of the late Babu Paresb Charan Chattopadhyaya B.E. and gave entire satisfaction in the discharge of his duties to the Commissioners, may be given preference.

The Commissioners accepted the recommendation and resolved that Babu Bhuban Mohan Goswain be appointed Sub-overseer on Rs. 40 (Rupees forty only) per month plus a monthly bicycle allowance of Rs. 5 only on his maintaining a bicycle and using it in connection with his duties which will be assigned to him by the Chairman.

3. To open and dispose of tenders for the repairs of roads during the current year.

Four tenders for the repair of roads were received. That of Babu Hem Chandra Chatterjee being too high was rejected. Of the remaining three tenders those of Messrs. Banerjee & Co. and Babu Saroj Kumar Mukherjee were similar in rates and that of Babu Anil Kumar Chatterjee was the lowest. After due consideration the Commissioners accepted the lowest tender of Babu Anil Kumar Chatterjee, by a majority of votes, at the following rates.

1. Picking and sifting at Rs. 0-4-6 per 100 s. ft.
2. Soling with whole pug-milled picked Jhama including labour at Rs. 5 per 100 s. ft.

4. To select sites for the sinking of tube-wells and to consider the offer of Babu Dasurathi Kumar to provide a tube-well at his own cost in memory of his deceased mother and also to consider the report of the Water Works Superintendent on the letter of Babu Kala Chand Munshi offering to make over to the Municipality a tube-well already sunk in Talpukur Street in memory of his deceased mother by his father Babu Nut Behary Munshi.

The report of the sub-committee appointed at the last meeting to select sites for tube-wells was laid before the meeting together with a chart prepared by them suggesting 31 sites (including the one in Talpukur street being site No. 13 where a tube-well has already been sunk and made over to the Municipality by Babu Nut Behary Munshi) in the whole town which should be provided with a tube-well gradually. They recommended three sites to be selected from for the two tube-wells to be provided by the Municipality this year viz., site No. 2 in Circular Road, site No. 6 in Mondal Street, and site No. 21 in Bijoy Kissen Street.

Resolved that the chart be circulated amongst the Commissioners inviting suggestions which should be dealt with finally at some future meeting of the Commissioners. For the present Babu Dasurathi Kumar, who was present at the meeting, offered to bear the entire cost of the tube-well at site No. 2, and whose offer was thankfully accepted; it was resolved that the tube-well at sites Nos. 6 and 21 be sunk at the cost of the Municipality during the current year. In this connection the proposal of Babu Kalachand Munshi offering to make over to the Municipality a tube-well sunk in memory of his deceased mother by his father, Babu Nut Behary Munshi, in Talpukur Street at site No. 13 at his own cost upon his own land was accepted with thanks on condition that he would fix the pumps to the platform by ground bolts as recommended by the Superintendent of Water Works who was directed to report in this connection in the last meeting, and formally to make over to the Municipality the tube-well together with the land over which it stands to be under its absolute control so long as the tube-well lasts, after which the land will revert to the owner.

5. To consider a letter from Babu Dasurathi Kumar offering to provide a cattle-watering trough at his own cost on the Grand Trunk Road.

The offer of Babu Dasurathi Kumar to provide a ~~cattle-watering trough~~ on the Grand Trunk Road at his own cost was accepted with thanks. It was resolved that the Superintendent of Water Works be directed to select a suitable site in consultation with the donor and to prepare a plan and estimate for the work which should be placed at a meeting of the Commissioners for a reference to the Public Works Department for permission and proper execution of the work.

6. To fix the date of the next general election.

The question of fixing the date of the next general election was fully considered. It was found that although three years from the last general election will elapse in January 1931, the terms of office of the nominated Commissioners, the Chairman and the Vice Chairman would not terminate before September 1931. Under the circumstances it was resolved that the date for the next general election should be fixed after the close of the present financial year some time in November 1931 as otherwise the provisions of the Election Rules will stand in the way of the preparation and due publication of the Voters' lists etc., based on the figures of the current financial year.

- 30 1. That the Chairman's report regarding the construction of a Burning Ghat at Uttarpara together with connected papers as submitted at the Municipal meeting held on 19th February, 1930 but the consideration of which was postponed, as also the question of the construction of Burning Ghat at Uttarpara as a whole, be taken into consideration and discussed and the decision or decisions that may be arrived at thereon and resolved upon be given effect to and acted upon immediately.

40 The Chairman's Report regarding the construction of a Public Burning Ghat at Uttarpara together with the connected papers were read and fully discussed. The objection taken against the construction of a Public Burning Ghat at Mandirbati site on the alleged ground of nuisance after being fully considered, the Commissioners without committing themselves to any particular view and without prejudice to their beliefs and titles, if any, unanimously resolved that the idea of the construction of a *Public Burning Ghat* be given up altogether and that in its stead two Municipal Burning Ghats restricted exclusively for the use of the residents within the limits of the Uttarpara Municipality, be constructed, one at the Mandirbati site and the other at the Panchanantola site

With a view to give effect to the above resolution, as also in deference to and in compliance with the suggestions of Mr. A. N. Moberly, the then District Magistrate, Hooghly, contained in his letter No. 1260 I. G. dated 7/8 June 1920, making it a condition precedent to the selection of this site for the purpose of a Burning Ghat, it was further resolved that the land of the old site of the local M. E. School together with the remains of the building standing on it be immediately acquired under the Land Acquisition Act and that the land belonging to the Municipality which is now being used as its pound, cooli shed and cattle shed be made over to the authorities of the M. E. School as the price of the old site of the M. E. School in the terms of the conditions laid down in the agreement approved of beforehand and which is also finally approved at this meeting. 10

With a view also to give effect to the first resolution it was also resolved that land of a suitable size be immediately acquired under L. A. Act at the Panchanontola site.

2. That the report of the Burning Ghat Sub-Committee be considered and given effect to. The report together with the note of dissent of Babu Pannalal Mukherjee was placed before the meeting and read. It was proposed 20 by Babu Mohini Mohan Chatterjee and seconded by Babu Sarat Chandra Ghose that further consideration of the matter be deferred to the next ordinary meeting.

Proceedings Book commencing from 26th March 1927 upto 6th August, 1932.

Proceedings of an ordinary monthly meeting of the Municipal Commissioners of Uttarpara held at their office on Saturday the 30th August 1930 at 5-30 p. m.

1. To confirm the proceedings of the last meeting.

30

The proceedings of the meetings held on 25th June, 2nd, 26th and 29th July and 20th August 1930 were read and confirmed. The Vice-Chairman tried to create a discussion and debate by asking questions to the Chairman in respect of certain resolution of the meeting dated the 29th July 1930 which the Chairman ruled as being out of order. He then challenged the verbal accuracy of the proceedings of the meeting held on the 20th August 1930, on the grounds that certain remarks of Dr. Saroj Nath Mukherjee had not been recorded therein. The Chairman referred the matter to Babu Abani Nath Mukherjee, ex-officiating Chairman, who had presided at that meeting and it transpired that Dr. Saroj Nath Mukherjee had made no written motion but had only passed some remarks which he did not wish to press, and as it was not the practice in this Municipality to take down all and sundry remarks made by each and every Commissioner unless put forward as per rule 12 of the Rules of Business, the Chairman declared that there was no irregularity and that the objection was (illegible). Lastly the Vice-Chairman demanded the Chairman's ruling as to the validity of the last mentioned meeting under rule 32 of the Rules of Business. The Chairman declared that Rule 32 of the Rules of Business was not applicable

12. To consider the report of the Public Park and Play Ground Sub-Committee, which has been duly circulated among the Commissioners as per resolution of the Commissioners at the last meeting, for disposal. ²⁰

The report of the Public Park and Play Ground Sub-Committee, which had been circulated among the Commissioners before hand, was taken as read. The members of the sub-committee were of opinion that about 15 to 20 bighas of land out of about 30 bighas of arable land lying to the west of Maidan Road could be acquired for Rs. 7000 to Rs. 8000 for this purpose and recommended the Commissioners to acquire the same at the said cost immediately and to keep in view the idea of acquiring the remaining portion of the total of 30 bighas of land at this place at a later date. They also stated that the Municipality was in a position to pay Rs. 3,500 from its own funds and the balance may be met from donations which were being collected under the auspices of the Public Park and play ground Committee. They also recommended that a few small parks in Ward 3 and 4, for the exclusive use of children in those areas, should be provided for after the present scheme is given effect to. ³⁰

The matter was then discussed and Babu Subodh Chandra Chatterjee expressed doubt as to whether any kind of land even of the lowest value, could be acquired in Uttarpara at the ridiculously low price of about Rs. 22 only per Cattah at which Babu Lokenath Mukherjee Vice-Chairman, stated (*sic*) of him whether he had a single Cottah of land outside the four walls of his compound in Uttarpara that he was going to judge the price of land there. Babu Subodh Chandra Chatterjee was going to retort when the Chairman called for order and asked them not to address each other in acrimonious terms but always to address the Chair. ⁴⁰

Then Babu Panna Lal Mukherjee wanted to raise a similar objection but the Vice-Chairman silenced him by referring him to Section 57 of the Act as Panna Lal Babu had interest in some of the lands proposed to be acquired.

Defendant's Exhibit.

Babu Mohini Mohan Chatterjee put in a suggestion that the owners of the lands proposed to be acquired should be approached with a view to ascertain as to what should be the actual price of these lands. The Vice-Chairman strongly objected saying that it was unique proposal in the history of the Municipality. The Chairman contradicted him and referred him to a recent precedent in the matter of proposed acquisition of lands of the M. E. School in which the owners have been freely allowed to agree to the price to be 'paid' and in which he, the Vice-Chairman himself has taken a prominent part.

No other Commissioner having come forward with any other proposal or suggestion, the Vice-Chairman moved the following resolution which was seconded by Dr. Saroj Nath Mukherjee Commissioner :—

20

"Be it resolved :—

(a) That the report of the Public Park and Play Ground Sub-committee be accepted in *toto*.

(b) That the paddy field lands to the west of Maidan Road at Uttarpara which is considered to be the only suitable and available open space of any size be finally selected for the purpose of the Public Park and Play Ground.

30

(c) That the whole of the said area comprising the paddy field lands and measuring 30 bighas more or less be not acquired at present but so much of land taken from the portion recommended for acquisition, by the Sub-committee and marked by red lines in the map submitted by them, as can be acquired within the funds at the disposal of the Municipality be immediately acquired under the Land Acquisition Act.

40

(d) That the Sub-Committee's estimates of the probable costs for giving effect to the present scheme of providing a public park and play ground are considered most fair and just.

Resolved further that the Government be approached for the acquisition of land under the Land Acquisition Act for the purpose of a Public Park and Play Ground.

Resolved also that the Chairman (be) directed to initiate land acquisition proceedings within one month from date, that he (be) authorised to

10

The Chairman said that the motion of the Vice Chairman was contradictory in itself in as much as in para (a) he recommends to accept the report of the Sub-Committee in toto but in subsequent paragraphs he puts in proposals quite different from the recommendations made by the Public Park and Play Ground Sub-Committee. The wording of the motion also specially that of the last paragraph, presuming to force the hands of the Chairman, was open to objection. 20

He further said that he would be happy indeed if the Commissioners were fortunate enough to secure the said land at the low cost mentioned in the Sub-Committee's report, which worked out at about Rs. 22 only per Cottah a rate which the Vice-Chairman supported repeatedly as very fair and just.

He also drew the attention of the Commissioners to para 3 of the Vice-Chairman's motion in which he wanted to launch the land acquisition proceedings immediately within the limits of the funds at the immediate disposal of the Municipality viz. Rs. 3, 500 only, which was in direct conflict with the recommendations of the Sub-committee, which wanted that 15 to 20 bighas of land, as delineated in the plan annexed to their report should be acquired first and then the remaining portion of the whole lot of 30 bighas, of which the Vice-Chairman makes no mention. 30

Lastly he said that this para 3 was very vaguely worded and uncertain as to how much land was proposed to be acquired which was absolutely necessary for the launching of land acquisition proceedings. 40

No precise objection by any Commissioner to the Vice-Chairman's motion being put forward under rule 12 or pressed, the same was considered as accepted.

On the motion of Babu Upendra Nath Chatterjee it was further resolved that the Public Park and Play ground Committee be informed about the

adoption of this resolution and be requested to pay their promised donation at an early date in order to enable the Commissioners to proceed with the matter. Defendant's Exhibit.

No. 13 of 1930—31.

Proceedings of an ordinary monthly meeting of the Municipal Commissioners of Uttarpara held at their office on Saturday the 27th September, 1930 at 4-30 P. M.

At the outset Babu Pannalal Mukherjee, with the consent of all the Commissioners present, moved a resolution expressing sorrow at the death of Mr. Lowman, Inspector General of Police, Bengal, at ~~Dacca~~ due to wounds inflicted on him by anarchists, and condemned such action which, in his opinion **30** was not conducive to the furtherance of the cause of the country. The resolution was adopted unanimously and the members rose to their feet when adopting the first portion of it.

The Chairman then asked Babu Subodh Chandra Chatterjee, Commissioner, to read a statement prepared by him setting down the law, the Government Order and rules regarding the right of the members to ask questions under Rule 11A, of the Rules of Business and declared that the Vice-Chairman being a member of the Executive, could not ask questions of another Executive member—such practice being unparliamentary and answered **40** courteously some of the questions put by certain Commissioners. Babu Lokenath Mukherjee said that the Chairman was not entitled to preface his answers to questions by a statement which was not directly connected with the subject matter of the question. The Chairman ruled the objection as out of order. Babu Lokenath Mukherjee then said that the Chairman was not entitled to disallow questions which he had put to him on the ground that they were coming from a member of the executive. The Chairman disallowed the objection on the ground that it was unparliamentary to allow a member of the

12. To lay before the meeting the report of the Burning Ghat Sub-Committee consisting of eight pages of majority report and four pages of note of dissent by Babu Pannalal Mukherjee, for disposal.

The report of the Burning Ghat Sub-committee with the note of dissent, which had been circulated beforehand, was taken as read.

After some discussion Babu Lokenath Mukherjee put in the following which was seconded by Dr. Saroj Nath Chatterjee (*sic*) :—

“That the majority report be adopted and that the Chairman be requested to take steps for giving effect to the recommendations contained in the said report at an early date.”

Babu Subodh Chandra Chatterjee moved the following amendment in which he was seconded by Babu Pannalal Mukherjee :—

“That both the majority report and the note of dissent may be placed at a special meeting to be convened under Section 221 of the Bengal Municipal Act.”

After a lengthy debate, in course of which Babu Sarat Chandra Ghosh and Mr. R. A. Payne left the meeting with the permission of the Chairman, Babu Mohini Mohan Chatterjee asked a definite ruling from the Chairman as to whether the report of the Sub-committee recommending for the extension of certain Sections of Part VI of the Bengal Municipal Act, could be considered at other than a specially convened meeting under Section 221 of the said Act and as to whether the motion of Babu Lokenath Mukherjee and the amendment of Babu Subodh Chandra Chatterjee thereon were in order.

The Chairman said that both the motion and the amendment were out of order on the ground that the matter could only be considered at a specially convened meeting under Section 221 of the Bengal Municipal Act and it was his final and definite ruling.

At this Babu Lokenath Mukherjee moved another motion in which he was seconded by Dr. Baroj Nath Mukherjee, and which ran as follows :—

10 "That the majority report be adopted and that the Chairman be requested to bring the resolution on the lines of the recommendations contained in the majority report in a special meeting as provided under Section 221 of the Bengal Municipal Act."

The Chairman declared that the second motion of Babu Lokenath Mukherjee was practically the same as his first motion and declared the same as out of order—his previous ruling on the subject being final as there was a (illegible) in considering such matters at an ordinary monthly meeting.

20 Babu Lokenath Mukherjee strongly objected saying all this was illegal and arbitrary.

At this Babu Mohini Mohan Chatterjee said those remarks are contempt to the Chair.

20 Proceedings of an ordinary monthly meeting of the Municipal Commis-
sioners of Uttarpara held at their office on Saturday the 28th February, 1931
at 5-30 P. M.

Before commencing the business the Vice-Chairman raised the following
point of order :—

30 "This meeting should be declared invalid being not properly
called, at least 8 eight of the Commissioners having
received meeting notice on or after 26-2-31. I signed
the notice dating 26-2-31 when 4 others had signed
before me and therefore 7 Commissioners signed after
me but which they should have received three days
before the meeting as is enjoined under rule 5 of the
Rules of Business. Moreover, the meeting notice does
not set forth clearly the business to be transacted at the
meeting. Lastly the notice does not contain the items
for the discussion of motions of which due notice was
received. Myself sent a motion three months before
as well as another Commissioner sent in a motion about
40 a month back and both these motions have not been
included in the list of business for to-day's meeting but
under rule 8 of the Rules of Business it is mandatory
for the Chairman to include such motions in the list of
business when the same are received in due time.
Under all these grounds I objected to the holding of
the meeting, it is *ab initio* void and should be
declared as such.

The Chairman ruled the motion as out of order as from the meeting notice it appeared that only two Commissioners had dated it 26th February, 1931 as the date of receipt while others appear to have received same in time, otherwise they would have dated it in the same way. As regards motions the Vice-Chairman's *re.* naming of Munshipara Lane is covered by Chairman's resolution on the same subject brought forward at this meeting. The raising of question of another Commissioner's resolution is irrelevant.

At this the Vice-Chairman left the meeting with protest.

Proposition of Sreejut Lokenath Mukherjee, adjourned from the meeting dated the 21st March 1931.

“Be it considered what actions, if any, have been taken on the resolution of the Municipal Commissioners of Uttarpara unanimously passed at a meeting held on the 29th July 1930, *re*: The construction of two Municipal Burning Ghats at Uttarpara and also be it considered what further steps, if any, should be taken for actually giving effect to the said resolution without
40 least delay”.

Sreejut Lokenath Mukherjee moved his motion giving in brief the reason which led him to bring forward the resolution, namely, that no action has been taken on the resolution, of 29th July 1930, which also he read out from the Proceedings Book. He urged for giving immediate effect to the resolution of the 29th July 1930 and commended his motion for acceptance by the Commissioners. He was seconded by Dr. Saroj Nath Mukherjee.

" In view of the Chairman's difficulties arising out of objection put forth by the local public, the interminable law suits which might ensue and in consonance with the highest legal opinion in the matter, in giving effect to the resolution passed at a meeting held on the 29th July 1930, the Commissioners without prejudice to their beliefs and titles, if any resolved :—

1. That the question of public or Municipal Burning Ghat or Ghats be abandoned and the resolution of the Commissioners dated the 29th July 1930, be rescinded. 10
2. That the land of the old site of the local M. E. School together with the remains of the building standing on it be immediately acquired under the Land Acquisition Act, and that the land belonging to the Municipality which is now being used as its pound, cooly shed and cattle shed be made over to the authorities of the M. E. School as the price of the old site of the M. E. School in the terms of the conditions laid down in the agreement approved of beforehand and is also finally approved at this meeting with slight alterations. 20
3. That on the M. E. School land, after acquisition by the Municipality a Municipal store-yard be built where no objectionable or noxious articles be stored and that the land be not used for any purpose which may be reasonably objected to by residents of the locality. 30
4. That cremation of dead be carried on at all places as heretofore Panchanantola Ghat, Debuttar Ghat, Mandirbati Ghat (one just by the side of pucca ghat, the other on the north of female bathing ghat), Sibtolia Ghat and Bhola Dom Ghat.
5. That the amount of Rs. 4500 already contributed by the Chairman towards the construction of a Public Burning Ghat at Mandirbati site be utilised, as agreed to by the Donor in the following manner :— 40
 - (a) Rs. 2500 for the construction of cooly and cattle-shed etc.

6. That a Committee be formed consisting of the following members to select a site for the Cattle and the Cooily sheds: Babus Abani Nath Mukherjee, Upendra Nath Chatterjee, Narendra Nath Goswami, Subodh Chandra Chatterjee and Panna Lal Mukherjee.

7. That the Chairman should take steps to disallow any outside dead to be cremated within the limits of the Municipality especially those coming from riparian villages or towns and for such purpose a committee consisting of Dr. S. N. Mukherjee, Babus Upendranath Chaterjee, Abaninath Mukherjee, Narendra Nath Goswami be formed with power to co-opt, to suggest ways and means for this purpose."

Dr. Saroj Nath Mukherjee while fully appreciating the difficulties experienced by the Chairman in giving effect to the resolution of the 29th July 1930, moved another amendment to Babu Abaninath Mukherjee's amendment that in item (1) of the proposed resolution the words "be kept in abeyance for the present" be substituted for the words "be abandoned". He was seconded by Babu Mohendra Nath Mukherjee.

Babu Subodh Chandra Chatterjee in opposing the second amendment of Dr. Saroj Nath Mukherjee and in supporting the original amendment of Babu Abani Nath Mukherjee submitted the following written note which he also read out at the Meeting :—

I oppose Dr. Mukherjee's amendment on the following grounds :—

1. The Commissioners' Resolution dated 29th July 1930, does not solve in one way or other the legal difficulties pointed out by the Advocate General, Bengal, in respect of Mandirbati Ghat. His opinion was definitely against the proposal of opening out a public burning ghat at Mandirbati ghat. The Advocate General is the highest legal adviser of the Government of Bengal and in matters involving Civil Suits Government always act according to the opinion of the Advocate General, Bengal.

2. To give effect to the Commissioners' resolution dated 29th July, 1930 will be to drag the Municipality in a harassing and ruinous litigation and I do not advise the Chairman to spend public money in litigation.

3. Mr. Kindersely in his inspection note of February 1930 made an observation that a really convenient site for a public burning Ghat would be difficult to find and I understand that the Subdivisional Officer, who came here on inspection yesterday discussed the question with the Chairman and entirely agreed with the Chairman that there shall not be public burning ghat at Uttarpara.

It is, therefore, no use keeping the question in abeyance. I, therefore support the motion moved by Babu Abani Nath Mukherjee. 10

After discussions, Dr. Saroj Nath Mukherjee did not press his amendment to a discussion so it was negatived.

The first amendment of Babu Abani Nath Mukherjee was put to vote and carried, seven members voting for and four members voting against it as follows :—

Abani Nath Mukherjee Defendant.

No. 1 of 1931-32.

Proceedings of Ordinary Monthly meeting of the Municipal Commissioners, of Uttarpara held at their office on Tuesday the 28th April 1931 at 5-30 p. m.

Before commencing the business Babu Pannalal Mukherjee moved the following motion condemning the dastardly outrage perpetrated at Midnapore causing the death of Mr. Peddie, District Magistrate :—

"The Commissioners of this Municipality in a meeting assembled place on record their deep indignation and strong abhorrence of the cowardly outrage committed on Mr. James Peddie C. B. E., I. C. S., District Magistrate, Midnapore and also believe that such irresponsible acts instead of accelerating the national cause, will greatly retard its progress."

The same was adopted unanimously—the Commissioners standing. After that S^r. Lokenath Mukherjee made the following statement :—

"At the outset of the meeting I beg to bring to the notice of the meeting a very serious irregularity though affecting me particularly it also affects the Commissioners as a whole. My motion No. (ii) *re*: clearly defining the two terms "ordinary meeting" and "special meeting", moved at the meeting held on 21st March 1931 but the consideration of which was adjourned to the next ordinary meeting has not been included in the agenda of to-day's meeting inspite of its being "the next ordinary meeting". On another occasion and not long ago another similar adjourned motion of mine was not brought forward at the next ordinary meeting, and the same thing has

been repeated this second time. Not only has the authority responsible for this act irregularity (sic) acted in contravention of a distinct *order* of the Commissioners at a meeting but has thereby also offended against rule 30 of the rules of business and lastly has infringed upon a fundamental right and privilege of the Commissioners of the Municipality."

The Chairman replied that the draft proceedings being under circulation among the Commissioners, and not yet incorporated in the proceedings book, no action could be taken. 10

Sj. Lokenath Mukherjee then raised the following point of order :—

"I rise to a point of order. This meeting has not been called on three clear days' notice to every Commissioner. In this case not even a single Commissioner has been given three clear days' notice, the meeting notice itself being dated 25-4-31. Under rule 5 of the rules of business of this Municipality it is mandatory on the Chairman to give clear three days' notice of all meetings to every Commissioner. The business that may be transacted at this meeting are liable to be vitiated. 20
I want a ruling on this point from the Chairman."

The Chairman said that the rules required three days' notice and not "clear" three days' notice, which has been the practice in this Municipality ever since, so the meeting notice was in order.

Sj. Lokenath Mukherjee lastly raised the following point of order :—

"I have another point of order to raise. I find from the list of business (of) to-day's meeting that the observation and sugges- 30
tions put forward under Section 73 of the Bengal Municipal Act by Babu Shaila Bhusan Mukherjee and Ashutosh Dutt, two respectable rate-prayers of this Municipality under their letter, a copy of which has been forwarded to me, dated 20-4-31, will not be laid before this meeting. They have, in their said letter, on the ground of the illegality of the resoition 40
passed at the meeting held on the 25-4-31, suggested that the provisions for the Burning Ghat should be kept as before and that the provisions kept in the Budget of certain amounts for the construction of cooly-shed and cattle-shed and for payment of the private contributions of Babu Bhupendra Nath Mukherjee to the Public Park and play ground fund and for the construction of the Bazar Lane drain out of the amount contributed by Babu Bhupendra Nath Mukherjee for the Burning Ghats by (but?) which is proposed by the aforesaid re-
solution to be refunded to the donor. Apart from my personal views in the matter which decidedly agree to those put forward by the said two gentlemen, I need hardly point out that action in

withholding the said suggestions from the meeting is illegal and *ultra vires* as under Section 73 of the B. M. Act it is mandatory to lay before the Commissioners at their next meeting and also to put it on record any written suggestions that may be deposited in the office of the Commissioners. Those suggestions should therefore be laid at to-day's meeting and duly considered".

10 (At this time the Chairman asked Babu S. C. Chatterjee to tell something to the Vice-Chairman instead of addressing him direct, to which the Vice-Chairman took strong objection which the Chairman vetoed).

The Chairman said that the letter in question being in the nature of a notice u/s 363 of the B. M. Act cannot be brought forward at this meeting, so I declare this as out of order.

5. To lay before the meeting Inspection Notes of the Sub-divisional Officer, Serampore, dated the 24th March 1931, for information.

The Inspection Notes of the Sub-divisional Officer, Serampore, were read. There were many obvious clerical errors which the Chairman was requested to correct. The Vice-Chairman wished to make certain remarks with reference to the notes on Burning Ghat which the Chairman disallowed as it contained some insinuations against the Chairman and the Commissioners who met the Sub-divisional Officer Serampore, at the time of his inspection.

The Vice-Chairman declared that he did not mean any insinuation against any body and brought this in the shape of a motion seconded by Babu Upendra Nath Chatterjee, which ran as follows :—

Re : S. D. O's following remarks :—

Burning Ghat—There are 10 Ghats in use at present on the river front. The Chairman very kindly offered to donate for a Municipal Ghat Rs. 9000 but unfortunately some Commissioners insisted on having the ghat on the river front, to which the donor rightly objects. Burning of the bodies is not a pleasant sight and a suitable place would be one, away from the busy and inhabited quarters of the town. I hope the other Commissioners will see the reasonableness of the Chairman's objection". 10

I move that it be recorded as follows :—

Apparently the remarks of S. D. O. is based on some clear misunderstanding or misrepresentation of facts. The Chairman who promised a donation of Rs. 9000 for the Burning Ghat made it a condition precedent that the Burning Ghat shall be constructed at the selected site of the Mandirbati Ghat on the River Hooghly, only to raise objection against the self-same 20 site after he came to take on lease certain interests in the neighbourhood of the said site. S. D. O. not being a Bengalee Hindu is not conversant with the rites and customs prevailing amongst them otherwise he would not have said that the Chairman rightly objects to the Burning Ghat being constructed on the river front. As for the S. D. O's remarks "a suitable place" meaning place for Burning Ghat, "would be one, away from the busy and inhabited quarters of the town", I should say that unlike the rites and customs amongst those who bury their 30 dead bodies, the rites and customs of the Hindus make the situation of the cremation place on the river side an absolute necessity".

This the Chairman again declared out of order.

The Vice-Chairman put in the following remarks about the post of overseer which were recorded :—

"Re : S. D. O's remarks about the post of 'the overseer, I should like 40 to point out that the said remarks are the outcome of some misunderstanding. In a Municipality like ours where eight to ten thousand rupees are annually spent in repair and construction works the services of a qualified overseer are absolutely necessary. I am not in a position to say anything about justification or otherwise of maintaining an overseer in the post ; as for the present I am in a position to say with some amount of authority that the maintenance of the overseer's post is an ,

absolute necessity and I am glad to note that the present Defendant's
incumbent has amply justified his own appointment. I won't Exhibit

No. 5 of 1931-32.

20 Proceedings of an ordinary monthly meeting of the Municipal Commissioners of Uttarpara Municipality held at their office on Tuesday the 28th July 1931 at 5-30 p. m.

7. To lay before the meeting letter No. 1352 R. G. dated the 10th July 1931, from the Sub-divisional Officer, Serampore, regarding proposed Public Park and Play Ground at Uttarpara, for consideration.

The letter was read. Babu Subodh Ch. Chatterjee moved the following resolution which he explained in full as follows :—

30 "That in view of the Government's refusal of any grant towards the Park and Play Ground scheme as communicated by the S. D. O, in his letter under consideration, and in view of the difficulties arising since or lost sight of at the time when the scheme was launched, namely :—

(a) The inevitable and costly litigation with the owners of the land who have objected ;

(b) The land proposed to be taken. 15 to 20 bighas, being grossly undervalued,

40 (c) The scheme not being properly authorised ; and

(d) Coming as it does under the bar of Sec. 69 of B. M. Act ; it is resolved that the scheme in question (be?) abandoned for the present and the authorities be informed forthwith,

Sd. Mohini Mohan Chatterjee.

He was seconded by Babu Mohini Mohan Chatterjee. (Explanation of Babu Subodh Ch. Chatterjee)—When the report of the Public Park and Play Ground Sub-Committee came up before the Commissioners at a meeting held on 30-8-30 several suggestions had been made to ascertain the exact value of the land in consultation with the proprietors in order to enable the Commissioners to consider whether the scheme was feasible or not. At the said meeting the Vice-Chairman told us, that the scheme had been drawn up in consultation with the proprietor who is the owner of the major portion of the land and that there would be no objection on his part. 10

2. It now appears that none of the proprietors were consulted in the matter. Two of the proprietors have filed objections on one or other of the following grounds :—

(1) That the land was grossly under valued ;

20

(2) That the site selected is not at all suitable for a Public Park.

(3) That the scheme is not authorised.

3. The Sub-Committee estimated that the total cost of acquiring 15 to 20 bighas of maidan land would amount to Rs. 7000 to 8000. Out of this amount the Municipality promised a contribution of Rs. 3,500 and the balance was proposed to be met from Public donations. There was also a reference in the Sub-Committee's report about some Government grant.

The S. D. O.'s letter proves that our present fund would not cover the cost of acquisition of the land otherwise he would not have asked the Commissioners to reconsider the matter. He further pointed out that there was no chance of getting any grant from Govt. 30

The Commissioners have since fully realised that the scheme is a very costly one. Apart from the cost of acquisition of the land which will be no less than Rs. 30,000—40,000 the cost of raising the level of the land will be about Rs. 15,000—20,000 and the report of the Sub-Committee has said nothing as to how this expenditure would be met. 40

The Commissioners have also had the opportunity of ascertaining the public opinion in the matter and it would be no exaggeration to say that there are very few who support the scheme. Even some of the members of sporting club frankly admitted before me that they are not at all keen about a public park. They would remain content if they would get a plot of land for play ground.

4. Lastly the scheme can not be supported in view of the *proviso* to section 69 of the B. M. Act. According to the *proviso* of the said section the Commissioners are authorised to spend municipal funds on the public park and play ground only when other purposes specified in clauses 1 to 7 of the said section have been sufficiently provided for.

10 There is no denial of the fact that for want of funds we have not been able to take up the repairs and constructions of all the roads and those that have been taken up for repairs are not being thoroughly and properly over hauled for paucity of money. In some cases patch repairs are being done while in others part of the road is being repaired. "There is also no denial of the fact that an important drainage scheme viz, Mondal Street Circular Road drain involving a capital expenditure of Rs. 25,000-30,000, has been pending for want of funds. The Chief Executive Engineer who came here a few days ago to discuss the question said that there is little chance of getting any loan from Government now.

"This question therefore remains to be solved"

20 It will not also be out of place to mention that in this small town the Municipality has not been able to establish any institution for the primary education of boys and girls. These are our obligatory duties and we are continually shaking them off for want of funds yet we are going to spend Rs. 3,500 from Municipal Funds for a public park and play ground, a luxury which we can not afford to have in our to present financial condition.

In the circumstances I propose that the scheme may be abandoned.

30 Sj. Lokenath Mukherjee raised a point of order that the matter can not be taken up now as six months have not elapsed since the last resolution on the subject was passed.

The Chairman over ruled the same.

Sj. Lokenath Mukherjee then wanted a ruling from the chair whether the members who were interested in the project can vote.

40 The Chairman ruled that there was no bar to their participating in the discussions at this stage of the project which was only in a state of (illegible) and Section 58 of the Bengal Municipal Act was not applicable to this case as it stood at present.

Dr. Saroj Nath Mukherjee then moved an amendment as follows supported by Sj. Lokenath Mukherjee :—

"That the consideration of the resolution be postponed for the present".

At this stage the Vice Chairman walked out of the meeting saying that he was not satisfied with the ruling of the Chairman.

Mukherji,
dated 11th
July, 1879.

I, Joy Kissen Mukherji, son of late Jagomohan Mukherji of Uttarpara, Pergana Boro, Registration District Hooghly Sub district Serampore, execute this will to the effect following :—I, the eldest son of my father, and my full brother, Sreejut Raj Kissen Mukherji having come of age during our father's
10 lifetime, and my (torn) step-brother Sreejut Naba Kissen Mukherji having been a minor and his full brother Sreejut Nabin Kissen Mukherji having been still in his mother's womb, and Sreejut Bejoy Kissen Mukherji having been a minor, my father, the late Jagomohan Mukherji, executed a Will and got it registered, dividing by metes and bounds our respective shares in the Zemin-
daries and Putnis and Durpatnis and Ijara and Lakheraj and Kheraji (rent paying) lands and the Bhadrasan Bati (residential house) and all other proper-
ties, and appointing me and the said Raj Kissen Mukherji the guardians of the persons and the properties (of the said minors), He having thereafter died, I and the said Raj Kissen Mukherji both came into enjoyment in Ejmali of
20 our respective properties and managed the properties of the said minors and thereafter there having been disagreement between us, we have amicably parti-
tioned our respective properties and a Hissyanama (partition deed) having been executed, we have been in (separate) enjoyment and possession of the demar-
cated shares and in joint possession of a few small properties. And the said Naba Kissen and Bejoy Kissen and Nabin Kissen Mukherji having come of age have already taken to their satisfaction all the properties and Government papers etc, in accordance with the provisions of the Will of our father. Further
more, out of apprehension for the uncertainty of life, I execute wills from time
to time and then change them from time to time for some reasons. In this
30 way I executed a Will on the 11th Agrahayan 1278 B. S. and have also made a codicil on the 24th Falgoon 1283 B. S. Some properties having been purchased and some properties having been transferred since then, and for certain other reasons, having deemed it necessary to make a fresh settlement of all my properties, I of my own free Will in sound health and in possession of consciousness and discretion, I do (hereby) cancel the previous Will and codicil and make this Will making the following arrangements and laying down the following provisions in respect of all my properties.

The burden of making the charitable payments directed by this Will and the burden of the liabilities having been cast upon my son Peary Mohan
40 Mukherji, I make the provision that my said son Peary Mohan Mukherji will get the ~~entire~~ Munafa (income) of the properties to be left by me for the Zemindary year of my death and for the year following till the Akheri. My sons' sons and my daughters shall be in ownership and enjoyment of the proper-
ties to be obtained by them under the terms of this Will from the day following the Akheri of the second year, i.e. from the 1st of Sravan. According to usual practice the report of the Curator entrusted with the duty of verifying the bill should be placed before a meeting in order to be passed and in order that payment may be made. If however the Curator think that they can accept the report in its entirety means the amendment made by Baboo S. C. Mukherjee. I think there can be no objection to the contractor being paid the balance due to him.

1. The question as to how to meet the current charges of the Library was considered and discussed. The curators found that more than Rs. 3200 were due to them on account of rent from the Darpatnidar and that they had no money in hand to pay the establishment the Duftury's bill for book binding and bills for subscription for Newspapers and that unless the repairs of the building were undertaken at once the cost would be doubled. This state of affairs had been represented to the District Collector but up to this time no reply had been received. Resolved that a copy of this resolution be forwarded to the Collector for his information and that if at least half the amount were not received within the 22nd instant a suit for the recovery of the amount be instituted by the curators on the expiry of that date.

The repairs of the Library Buildings, particularly the upper story and the ground floor thereof having been found very urgent specially for the protection of the library, it was resolved that a trustworthy contractor might be asked to prepare an estimate for thorough repairs of the whole buildings with out offices which were to be taken up within say a fortnight from date and as a special case, a subscription amongst the surviving members of the Founder might be raised almost immediately for the purpose. The question of necessary funds for the said repairs having been thoroughly discussed however it was further resolved that, should the subscription be found too inadequate to meet all the expenses a Loan for the balance might be raised at a low rate of interest from the curator Babu Bhupendra Nath Mukherjee to be recouped to him or his legal heirs and assignees by Babu Abani Nath Mukherjee from the rent of the upper rooms and necessary out offices, to be let out by a general consent of the surviving members of the founder so long the said Loan is not fully liquidated.

The Proposition —

The Resolution —

1. To take necessary steps for taking possession of Lot "Irpala" without any more delay and to ascertain the approximate amount of Rent etc. that could be realised from the said Mehal as arrears for 1332, 1333 B. S.

2. To arrange for taking up the repairs of the Library buildings and out offices without any more delay just as suitably as might be found expedient.

1. Resolved that the Burdwan Raj might be approached personally in the absence of any reply to the Librarian's letter dated the 24th December 1926 and its reminder dated the 10th June 1927 in order to enquire if we could take possession of the Patni Taluks Lot Irpala without any more delay, in cancellation of the notice served on us from the Raj Estate, dated 1332 B. S. prohibiting us to collect any rent etc. from Baisak 1332, B. S. Also resolved

that Babus Jaharlal and Pannalal Mukherjee might be requested to make necessary enquiries at the Mehal, in the meantime, to ascertain the total amount of rent, etc. that could be realised therefrom for the years 1332 and 33 B. S. in case it was found necessary to entrust a suitable party with the collection thereof, other than the present Dur-¹⁰ patnidars who were trying to abandon their right, title and interest in the Mehal on an early date.

2. Resolved that thorough repairs of the Library portion of the main buildings together with those of the out offices at the north might be commenced without any more delay, just as simultaneously as the rest of the pre-³⁰ mises by the present owner Babu Abani Nath Mukherjee, Babu Bhupendra Nath Mukherjee having, however voluntarily expressed a desire to bear all the expenses for the Library portion of the main buildings, like a good and gracious grandson of the great founder, his nominee the Civil Engineering Co. Ltd. might be safely entrusted with the work for suitable execution thereof.¹⁰ The repairs of the out offices being also a charge on the funds of the Library which were indeed very poor just at present Babu Bhupendranath was also pleased to express a desire for advancing the requisite amount to the curators, from time to time, at a low rate of interest at 3½ p. c. p. a. which was to be repaid to him by instalments of Rs. 200 per year so long the Irpala¹⁰ difficulties were not over and as soon the same was over, the instalments were to be raised to Rs. 500 a year till the whole amount with interest was not realised to him; It was accordingly resolved that letters might exchanged between the curators and Babu Bhupendranath

Mukherjee to the effect mentioned herein so that there might be no more loss of time in taking up both the works simultaneously on hand, and that was to be followed early with counter Ekrar or some other suitable agreement conveying the said intentions from both sides, at the same time pledging a substantial property of the curators to Babu Bhupendra Nath for the money he would so kindly advance for the good of the institution, the costs for the documents having been kindly agreed upon to be borne by Babu Bhupendra Nath as well.

It was further resolved that the repairs of the out offices at the North with suitable alterations might be awarded to Babu Monindra Nath Banerjee a local contractor who was directed to make out an estimate without any the least delay ; and as soon as the same was approved of by the curators he was to proceed with the work under supervision of the Librarian or any other person deputed by the curators for the purpose.

A question having arisen in the meantime between the curators and the proprietor of the buildings as to the occupation of the out offices, It was further resolved that an agreement might be entered into between the parties named for the exclusive use by the owner, of the out offices lying on the north side (but with provision for supplying quarters for a Duftry in case one was taken in, in the mean time) leaving the exclusive use by the curators of the out offices on the south side for a period of 10 ten years with option of the owner to extend it for a further period to be

2. To consider the advisability of changing the present character of the Library from a free circulating one to that of a free reference Library with a restricted circulation on deposit of a sum to be fixed in accordance with the value of the book.

2. The question of changing the present character of the Library from a free circulating one to that of a free reference one only, as proposed by the Librarian, was duly considered and it was resolved that in view of the time honoured custom, originally started by the founder and embodied in Rule III of the Rules published in the catalogues, the free circulating character of the institution might not be changed, unless and until the curators found it absolutely necessary to do so; but in order to safeguard the interests of the institution from unnecessary loss etc., the Librarian was instructed to make suitable arrangements henceforth for the recovery of books, periodicals etc. from defaulting borrowers by the regular issue of demand notices, three in succession at the expiry of each week, if necessary, after the minimum period of a fortnight allowed for each book, etc. was exceeded and he was further instructed to submit a regular statement before the curators.

when the question was to be dealt
with at some length. It therefore
rested with the other curators present
to discuss the question, quite fully,
when they arrived at the sad con-

two dead, few and far between as
bitter to face, the constant smoke
with the abnoxious, nauseating stench
emanateu from the cremation on
almost countless dead in succession,
polluting the atmosphere of the whole

the town, the dessual look attended
by doleful ories of the cremation
parties from all the different com-
munities, not only of the town proper
but from all the neighbouring village
of Makhla westward to Janai, Garal-

local Ghats for cremating their dead
in rapid succession, and the contagi-
ous nature of some of the infec-
tious diseases specially in seasons of
epedemic cholera, small pox and other
pestilences, causing severe mental
worry, if not anything else, that
might be caused by the proposed cen-
tralization of the burning Ghat to the
immediate proximity of the Library

wards turning the institution and the
adjoining town under its control to
a veritable scourge, to say the least
of it, in strong contract with the ob-
ject and intencion of the illustrious
founder to make it a healthy resort
as all along enjoyed, and so profitted
by old and young of the community,
and by both the learned and learner ;
and it might be added that the office-
bearers and others employer would no
less suffer from the constancy of the
nuisance as afore-said, making it
difficult to maintains a suitable staff

Out of the miscellaneous propositions for the days meeting, one was raised by Babu Prabal Chandra Mukherjee for depositing all the surplus cash at the local Post Office Savings Bank for the sake of further convenience when it was resolved that a Savings Bank account should be opened early in the local Post Office in the name of the Public Library, with empowering Babu Prabal Chandra Mukherjee curator, to deposit and withdraw money for the institution as often as necessary, empowering him, at the same time, to apply to the authorities for sanctioning all special privileges in connection thereto, for the institution as a public body.

The Proposition :—

The Resolution :—

1. To consider about the leave application of acting Librarian K. K. Chatterjee and his recent conduct in connection with the delivery by him of certain important books and papers without the knowledge and sanction of the curators; also to appoint a substitute for such period as might be found necessary.

2. To consider the advisability of taking steps to overcome the inconvenience caused by precipitate removal of the books of the Institution by the Commissioner appointed by the 3rd Sub-Judge of Hooghly on the 12-6-31 in the matter of suit No. 69 of 1931 (Babu P. C. Mukherjee vs. Babu A. N. Mukherjee and others).

1 Resolved that the curators disapproving the conduct of the Acting Librarian, Krishna K. Chatterjee in delivering most of the important books and papers to the Commissioner in suit No. 69 of 1931, Hooghly 3rd Sub Judge's Court without consulting the curators or at least the majority of them all of whom lived close by, and in not informing them at all of the advent of the Commissioner and his proceedings till two hours, and some on the next day, after the Commissioner had left the place and suspecting him to be in league with the plaintiff of the case, the acting Librarian K. K. Chatterjee was suspended from service with effect from the 6th instant until further orders, Babu Jahar Lal Mukherjee dissenting in view of the related matter being "sub judice," as he expressed. It was also resolved that out of the applicants

for the post Babu Shyamadas Banerjee was appointed to act in place of K. K. Chatterjee, the acting Librarian, during the period of the latter's suspension.

2. Resolved that in view of serious inconvenience in the administration of the library, caused by the preceptate removal of almost all the important books, papers, etc. of the institution, the court might be moved at an early date for vacating the order which was obtained ex parte by the plaintiff, or for passing such other remedial order as the court might think fit and proper. The letter of even date addressed to the curators by Babu Prabal Chandra Mukherjee, was read in this connection and it was held that the writer of the letter was under a misconception, as the curators never intended to criticise any order of the court but proposed simply to put forth their difficulties before the court for redress. The letter was however placed on record.

and from 5 P. M. to 8 P. M. in winter months (from October to March) to be altered to 5-30 P. M. to 8-30 P. M. in the Summer (from April to September). The question of holdings (holidays ?) was also considered and it was resolved that the reading hall would be open for the intending Public on all Sundays in lieu of which Mondays would be observed as holidays, together with a total of 33 (thirty-three) additional holidays in the year as per list with the Librarian, a true copy of the same being stuck up in the reading hall for the information of the Public whose suggestions were, at the same time, invited regarding better arrangement, suiting their convenience if any. 10 20

3. Resolved that the draft Budget placed by the new Librarian at the meeting, be scrutinized by Babu Haridas Banerjee and placed for consideration at a subsequent meeting although it is palpable that there would be much difficulty in doing so without the important papers, taken away by the commissioner in suit No. 69 of 1931 in Hooghly 3rd Sub-Judge's Court on the 12th of June 1931. 30

4. Resolved that the question be postponed for the present until the Budget question was finally settled by the curators. 40

N. B.— The recent practice of some of the members of making remarks on the notice form of the meeting was held with a regret as very irregular and out

of place and should not be countenanced besides, any proposition added by an absente or other member in the list of business for a Special Meeting after the notice for the Meeting was "issued" was not to form part of business for the said special meeting, any letter from an absentee member with his opinions and remarks such as Babu Probal Chandra's dated 9-2-31 and its previous one, was held as well as having no importance at all for the purposes of the meeting.

and to submit necessary papers in that connection to the District Judge's Court at Hooghly, including those taken out from the said Court under special orders of the Judge, dated the 30th July 1932.

(5). To consider the written statement filed by the Defendant Jugal Kisore Rudra, Darpatnidar under the Library (Lot Irpala) in Suit No. 1612 of 1932 of the Munsiff's Court, Ghatal.

(6). To arrange for meeting the Astom demand of Paikpara Estate in respect of lots Jagatnagore and Mamudpore in case the Darpatnidars fail to pay up the same.

(4). The suspended Librarian Babu Shyamadas Banerjee, seemed to be recklessly insolent and false in his statements before the Sub-Committee appointed for the purpose of scrutinising his accounts etc. He was out of employ for a considerable time after he was dismissed from Government service in 1926 for defalcation of money, the true facts and details of which the curators regret, they were not aware (of) at the time, and on assurance of faithful service he was appointed to fill up the vacancy as a Librarian. But after a few months of the appointment he commenced with various irregularities in the discharge of his duties, followed by the abuse of power and authority when on suspicion of having defalcated money, as well, he was suspended from the service on the 3rd May 1932. Eventually on careful scrutiny the Sub-Committee, in agreeing with the Treasurer, found that within the short space of ten months of his service he had misappropriated Rs. 1050 overdrawn without authority Rs. 260 and kept on hand Rs. 76-14 which he could not account for, his total liability to the Institution being Rs. 1386-14 (Rupees one thousand three hundred and eighty-six and annas fourteen only) out of which Rs. 1326 had already been realised from him according to the statement of the Treasurer leaving a balance of Rs. 60-14 still due by him as per report of the Sub-Committee, dated the 21st September 1932 as it was found therefore that he proved himself totally unworthy of the post on account of gross misconduct and

10

negligence of duty and for defalcation of money with false entries in the cash book, together with various other irregularities in his duties, it was resolved that the said Shyamadas Banerjee be hereby dismissed from the service with effect from the 3rd May 1932, the day of his suspension, together with a charge of Rs. 60-14 (Rupees sixty annas fourteen only) demanded for immediate payment which the actg. Librarian was hereby authorised to act for the curators on failure of which legal steps would be taken against him in the best way suiting the occasion.

If therefore the said Darpatnidars fail to deposit money by the due date, it would be absolutely necessary for the curators to be ready with sufficient cash on the last day of Kartic current, and as the funds of the Institution were lamentably short, just now, although an appeal was made to all the probable members of the founder's family by resolution No. 1 dated the 1st August 1932, for advancing money to the curators for meeting such urgent demands but without effect as yet, it was resolved that some of the probable members of the said family, if not outside, might be immediately approached for the purpose, for the second time, and the Treasurer Babu Pannalal Mukherjee, was here
